FORT WORTH, Texas?In an effort to better represent and serve the horse industry in Washington, D.C., the American Horse Council (AHC) and the American Paint Horse Association (APHA) are initiating a new direct grassroots effort entitled, "The Congressional Cavalry Program." You can participate and help to make a difference.

Individuals will be mobilized when there is a need for grassroots lobbying. The AHC will provide participants programs with any necessary information. Members of the program will be put on an email, fax or mail list so they can be contacted and activated quickly.

Other Congressional Cavalry activities may include:

- Visits with members of Congress in Washington or back in the home district.
- Invitations to members of Congress to visit your facility, event or activity.
- Regular reports to Congress/staff about your activities?back home,? illustrating the importance of the horse industry to the local economy, sport and recreational life.

News from Washington Bred:

The Washington Bred Registry has made some new changes for 2008! Washington Bred has changed the year end award requirements to be 8 Judges instead of the 20 Points previously required, in hopes of encouraging more people to participate.

WSPHC has graciously invited Washington Bred to host their Yearling Halter Futurities at The Star Spangled Classic in July. A special thanks to WSPHC for doing this and for donating the Washington Bred Youth Year End Award.

If you or your club is interested in sponsoring a Washington Bred Year End Award, please contact Ami Bennett @ 360-521-9419.

Congratulations to Deborah (Hill) Spencer of Inkom, Idaho and her ten year old Bay Overo gelding, Limitless, on earning their APHA Amateur Versatility Award.

Jeannette Dubravac reports that she and her husband Joe have sold their filly, JMD Miss Quotation to Erica Sam of Vancouver, WA. Erica will be competing in the yearling halter and lungeline futurities.

Judy Shehan reports that they have had a 2008 Overo Colt Born. He is by their stallion Lasting Approval and out of their mare Blonde Autograph.

Elite Halter Horses has sold Bar S Youre Kiddin Me to the Aaberg family of Colorado. While Ami is sad to see this special gelding go, she is excited to see his new handler, 6 year old Clayton Scheetz continue to show Ernie.

Our condolences go out to Andy Hellqvist on the loss of his horse Master Son.

Andy writes this about his special horse:

Master Son
Jan 26, 1987 to Dec 30, 2007

Master Son, the red roan horse I've owned and shown for many years, died on Dec 30, 2007. "Sonny" had a kind disposition, was exceptional at Trail, and was versatile in a wide variety of other events. His career accomplishments included an APHA Reserve World Championship in Amateur Trail, an APHA Amateur Performance Versatility, and a high ranking on the APHA lifetime leading list for Amateur Trail. Thank you to Richard Pyke, for getting us together, and for shaping our successes. Sonny had the heart of a champion, and was always a pleasure to be around. I still enjoyed him even after his glory days of showing were done. Thank you to Sonny, for all you did for me, for being so lovable, and for the special bond we shared. Thank you for the memories, you will not be forgotten.

Our thoughts also go out to Desert Haven ranch on the loss of their stallion Tributes Mister due to complications from colic surgery in December.

Kirsten Hammer reports that the The Zone One show is already almost sold out of RV spaces. The facility does not have a deadline by which they start accepting reservations like Albany did. So anyone who is going to Zone One and/or Paint Idaho and wants to have an RV space to plug in (there is no need to reserve a space for self-contained trailers or for those that are bringing generators), they need to go online to www.idahohorsepark.com and click on the reservations tab to get it done. They do not like to take phone reservations - they prefer a paper trail of the reservation.

Also, keep in mind that if you are running for NWCC awards you need to fill out your 2008 Declaration form. This form is available on line or from your NWCC club delegate!

In Conclusion:

As many of you know, the NW Paint Horse Community lost one of its longtime members, Don Hill earlier in the month.

Until the 1st of March Edie's address is 12325 S Frontage Rd #246, Yuma, AZ 85367. Memorials may be made to South Pacific County Humane Society, PO Box 101, Long Beach WA 98631. This is a no kill shelter sustained entirely on donations.

Please keep Edie and her family in your thoughts during this difficult time.
