2. All APHA rules will be observed, unless otherwise stipulated.
3. All owners/lessees of above horses must be in good standing with APHA and all NWCC member clubs. Any owner/lessee who has any show fees outstanding with any NWCC member club (or the Zone One show) at the end of the point challenge period shall be ineligible for NWCC year end awards.
4. All horses must be owned and/or leased by a member of an NWCC Member Club. NOTE: If the horse is owned by a family member, both the exhibitor and the owner MUST be a member of an NWCC member club. The NWCC club membership for the owner MUST be the same as on the registration papers. Example: if the horse is owned by John & Mary Doe then there must be a club membership for BOTH John & Mary Doe. NO EXCEPTIONS! A youth may be part of a Family Membership but must be listed on the membership list. Adult children (19 years and over) do not qualify under a Family club membership for NWCC. Membership to a youth only club does not constitute membership for NWCC purposes.
5. A fully paid current membership is required before points will be tabulated. Please Note: Points earned prior to membership will not be counted. Exhibitors have 10 days after the conclusion of a show to join an NWCC approved club for those show points to count towards NWCC year end awards.

Club membership lists must be emailed to NWCC Pointskeeper and NWCC Secretary by March 1<sup>st</sup> of each year and updated immediately as new members join or information changes. All Family, Ranch & Company memberships to be listed with exact names of members.
7. An individual's NWCC points will not be tracked until the NWCC Treasurer has received a completed declaration form with an attached copy of the horse's APHA papers, verification of the current year PAC enrollment, and the PAC Show Division sign-up fee per horse. Declaration forms and a copy of the documents must be RECEIVED by the Treasurer before the first show or within 10 days of the show you want to count for year-end awards. For those who showed in early November 2018, you must be signed up by December 1, 2018 for those shows to count.
8. Owner/Exhibitor will be responsible for submitting a copy of their PAC show report to the NWCC pointskeeper within 30 days of a show for that show to be counted. Points will not be counted in an "all other breed" class if a Paint class is offered. Grand & Reserve halter is not counted.
9. The show season will last from November 1<sup>st</sup> through October 31<sup>st</sup> each year. Awards to be given in all qualified divisions. A horse must accumulate a minimum of 25 NWCC Points in a division. Exception weanling halter classes - a minimum of 10 NWCC points must be accumulated. Points will be calculated using the chart at the end of the rules.

# Paint Alternative Competition Program

At the American Paint Horse Association, we know that your riding activities are as diverse as the color patterns on the horses we register. Through the Paint Alternative Competition Program, you can get recognition for accomplishments in competitive events or just spending time in the saddle.

## What is the Paint Alternative Competition (PAC) program?

Your community probably offers competitive events for horses and riders, such as 4-H shows, team pennings, ropings, horse trials, and other activities that fall outside the category of “APHA-approved show.” Even though APHA is not officially associated with these events, APHA wants to recognize your efforts on your American Paint Horse. As a result, your accomplishments can be recorded on your registered horse’s official lifetime performance record through PAC.

## A variety of competition

PAC is open to almost any type of activity as long as the competition is sponsored by an organization that keeps official records, for up to one year, on the performance of all horses entered in the event. Keep in mind that for APHA to include the event in PAC, the competition must be sponsored by an association, organization or affiliate that has an established record-keeping, governing body, as well as a representative who will sign a verification form. Also, remember that this program is designed for events outside the approved show ring. You cannot earn PAC credits in APHA-approved classes or any other classes approved by another breed or color registry.

## Spending time in the saddle?

Whatever the motivation, if you enjoy riding your American Paint Horse for recreation the APHA PAC Program is for you. By enrolling in PAC, you can strengthen your body and mind while exploring the great outdoors with your favorite Paint Horse—all while earning recognition for the time you spend riding. When you enroll in PAC, simply record each hour you spend riding your Paint Horse and send your log to APHA. As you move up through the achievement levels, APHA records your accomplishments and each hour you and your Paint Horse achieve is permanently recorded on your horse’s official lifetime performance record. See PR-000.A.1.e.

## Easy to enroll and report

1. An APHA or AjPHA membership is required to enroll and participate in PAC.
2. The horse owner must be a member to receive any awards from the association.
3. Annual enrollment of the horse in PAC is required, even though you don’t have to own the horse.
4. Once we have your enrollment form in the office you may begin earning credits. You will receive your PAC card; an exhibitor’s report form; and a PAC Recreational Riding Log after your application is processed.
5. If you are showing in PAC approved shows, once you are finished with your show, ask the show secretary to sign the exhibitor’s report form verifying the class information, such as class name, number of entries in the class, and how you placed.
6. Return the exhibitor’s report form, along with a class schedule, to APHA within 30 days of the event.
7. Recreational Riding hours can be submitted via mail, email or fax. Online submittal is also available and must be submitted monthly.
8. You have 90 days to make any corrections once the PAC information is posted.

## Recognition for your success

A Certificate of Recognition is awarded to your registered Paint Horse when it earns at least 20 credits in any one approved category. A Certificate of Achievement is awarded when that horse earns 60 or more credits in any one approved category. PAC Year-End Leaders who earn the most credits in one category will receive an appropriate award, and recognition in the Paint Horse Journal. Six PAC Top Five awards go to the top five horses earning credits in at least six different categories in both Open and Youth categories. The title of Six PAC Champion is awarded to any horse that gains the most credits in at least six different categories on the PAC Leader’s List in a single year.

## Paint Alternative Competition Versatility Champion

The PAC Versatility Champion will be awarded to a horse that has earned a PAC Certificate of Achievement award in five (5) different Open PAC categories.

The PAC Youth Versatility Champion will be awarded to a horse that has earned a PAC Certificate of Achievement award in five (5) different Youth PAC categories.
