Treasures report:

Shannon gave report, we are down in show numbers due to Covid and there for lack of show entries. We are down 7 shows over last year, with 1 still to be decided. This puts our fund down over 50% from last year. We give awards to the top 2 in each class. It was decided to give gift card this year to help fund a good award but still help with expenses. This card can purchase awards of their chosing. Kristy Duncan is the awards coordinator this year and is prepared for this new decision.

Banquet: The contract needs to be canceled this year due to Covid, lack of financial feasibility

Many are still in early stage of lock down and the lack of participation is a major factor. Nikki will take care of this.

Motion made and seconded to not have a 2021 Banquet this year but awards will still be given.

Motion made and seconded that 100% of the Club dues will go into the awards fund. 50% of last years auction proceeds will go into awards for 2020 year. Linda and Shannon will work with Krisrty on gift cards and awards.

Tall Timber show, set for the first weekend in June. Everything is done except awards.

Motion was made and seconded to grant Niki and Kory a 700.00 budget to purchase awards for the show.
