

APHA CONVENTION OCTOBER 4-6

Grace Harris

Best Convention ever. With 50th year Anniversary and me winning the Distinguish Service Award, what could be better?

Families of the 50 year Hall fame came to the banquet to be honored. Rebecca Lockhart attended; she was the first to lay the foundation by starting APHA at her kitchen table.

25 people and 25 horses were chosen to be honored. I thought of some horses from here that could have been honored.

Most rules changes past and are on the web site.

There is only going to be one work shop and convention. It is matter of finances. These will be held in Texas.

Combining world show with Appaloosa horse show to off set costs is being set.

Bruce Anderson has been hired as a revenue hunter and has sign more sponsors.

Heritage committee has a Lynn Anderson signed guitar, it may go on eBay.

The consensus was to having fun at shows. It is a new world and the future may bring having our show classes on Skype. Maybe????
